Kvalitet fra markedsledende producenter

MILLER GmbH. MILLER har i de seneste 20 år udviklet sig til en af markedets førende producenter af solide hårdmetalbor og endeskærsfræsere. Produktionen finder sted på en af Europas mest moderne produktionsfaciliteter.

Gesac er specialiseret i fremstilling af kvalitetsprodukter af sintret hårdmetal og skærende værktøjer (drejning, fræsning og boring). Virksomheden er verdens største producent af hårdmetalpulver med omkring 30 % af verdensmarkedet. Virksomheden producerer førsteklasses produktionsudstyr og med meget høj kvalitetskontrol.

Schweiziske **DC Swiss** fører an i udviklingen af gevindværktøjer og udvider gradvist sit sortiment af nye produkter, der hurtigt finder plads hos industrielle virksomheder over hele verden. En professionel aktør, der kender kundernes specifikke ønsker og bruger denne viden til udvikling af nye produkter.

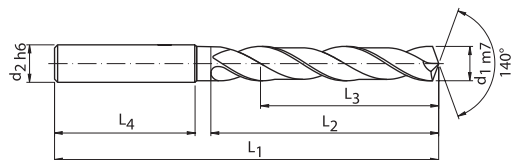

AMADA Machine Tools er verdens største producent af båndsavklinger. En teknisk forgænger, der fører an i udviklingen af skæreteknologi. Virksomheden betragtes som trendsætter, når det gælder produktionsløsninger til høj økonomisk effektivitet og produktivitet. Markedsledende indenfor fremstilling af bånd og rundsave.
